For your party, you may bring in food and other non-alcoholic beverages. No other alcohol is permitted in our store. An extra table can be set up for food, upon request.

Party Options:

Special Selection –The Host of the party selects up to 6 kinds of wine to serve during the party. These can be served either in glasses **OR** flights. Staff will open bottles of each kind throughout the two hours. Host is responsible to pay for all bottles opened and/or partially used.
